Deadline Abstracts extended to, December 27th 2015

Remember! The Closing date for abstracts submission will be on 27th of December.

It is almost deadline! So probably you have to work on the abstract all the time you have, or are you already finished?

We wish you Good Luck and we are looking forward for your abstract!

If you need more information about: you will find --> [here](#).

The Abstract Submission you will find--> [here](#).

Best Regards,
SOSORT Committee

Thanks to...

2016 We will go on with lots of energy! We go straight forward to the first shared meeting at May 2016 together with IRSSD! Closer to the date, more exciting it will be!

The end of the year also means, itâ€™s time to say â€˜thank youâ€™ to all the people who do â€˜somethingâ€™ for the Sosort. The Board members, Committees, but also the Members! Without members thereâ€™s nothing to work for. Our wish for 2016â€¦ Still more members!

See you, hear you, contact you in 2016!

Lots of Love,
Communication Team

End Year wishes

We would like to wish everybody beautiful days at the end of December. Take some time for yourself and your family and try to relax. Celebrate Christmas, Hanukkah and New Yearâ€™s Eve with your loved ones.

Christmas gift suggestions

SOSORT Poster

To your enemy, forgiveness
 To an opponent, tolerance
 To a friend, your heart
 To a customer, service
 To all, charity
 To every child, a good example
 To yourself, respect

SOSORT Members spreading scoliosis knowledge in the world

Thanks to SOSORT members, Spanish and Czech translations are available now in order to spread the word around the world.

Congratulations to Manuel Rigo and Hagit Berdishevsky for presenting and teaching a course at AAOS POSNA combined conference this week.

Information about PSSE and bracing were well received by hundreds of spine surgeons.
